EDUCATION

Chulalongkorn University — B.Eng. Computer Engineering Aug 2024 – Jul 2029 (expected)
Transferred from Electrical Engineering (Aug 2024 - Dec 2025) | GPAX 2.96 Bangkok

- **Relevant coursework:** Data Structures, Programming Methodology (OOP), Digital Computer Logic , Machine Learning for Environmental Applications , Geospatial Data Sciences , Probability for EE.

Triam Udom Suksa School — Arts–Mathematics Program 2021 – 2024
Completed Physics Olympiad Camp I , TU Public Relation Organization | GPAX 3.30 Bangkok

EXPERIENCES

Teaching Assistant on Computer Programming (Python) Jul 2025 – Jul 2026
Dept. of Computer Engineering , Chulalongkorn University · Part-time Bangkok

- Supported students in labs and assignments

PROJECTS

Predicting Water Turbidity from Total Suspended Solids Concentration Currently in Progress
Coursework Project · Data Science & Machine Learning · scikit-learn & pandas

- Building & Evaluate model to predict water turbidity with 500k data rows Link

Optimizing Cooling System in Data Center with Agentic AI Currently in Progress
Coursework Project · Agentic AI & Data Center · Python

- Prompting Agent to work as a team to optimize cooling system model in simulated data center Link

Intania Department Calculator 2025 May - July 2025
Personal Project · Basic Python & Streamlit · Python

- Invented system to predict probability of each students to guaranteed their expected department Link

EXTRACURRICULAR ACTIVITIES

Front-End Web Developer · CUEE Camp III Oct 2025 – Dec 2025
Department of Electrical Engineering, Chulalongkorn University HTML/CSS/JavaScript

- Develop Static Front-End website for 60 students to explore about CUEE Camp Link

AIHack Financial Data 2025 & 2026 Competitor (Machine Learning) Nov 2025 , Present
Chulalongkorn University Commerce Club & AIFUL Corporation Python & Scikit-Learn

- Predicting financial model to find probability of being debtor (AUC Score 0.57)

VOLUNTEERING

Member of Mental Wellness Affairs Jul 2025 - Apr 2026
Student Government of Chulalongkorn University (SGCU68) Bangkok

- Invented policy to improve Chula students' mental wellness

Secretary of Statistics Affairs Jul 2025 - Apr 2026
Student Council of Chulalongkorn University (Sapanasit Chula 68) Bangkok

- Recheck analyzed data from another affais with data analyst skills (Data Visualization , Cleaning Data)

SKILLS

Programming	Python, Java, C++, MATLAB , R
Data & ML	NumPy, pandas, Jupyter, scikit-learn
Languages	Thai (native), English
Languages	Problem Solving , Critical Thinking , Decision Making , Negotiation
